. This is an application for condonation of delay which has been filed after the appeal came to be admitted by this Court probably because of inadvertence on the part of the appellants and the registry to verify the same. Under these peculiar facts and circumstances, this court directed the appellants to

move an application for condonation of delay so that the matter can be considered for condonation post facto admission of the appeal. None present for the respondent. For the reasons stated in the application, the delay is condoned.

2. The civil application is disposed of accordingly. No order as to costs.
